

**ST. JOHN'S MERCY
HOSPITAL**

May 30, 2008

Dear Phil,

Thank you for presenting *Generations in Change* at St. John's Mercy Hospital during Hospital Week.

Your presentation was fun, interactive and informative. The flip chart activities allowed the participants to look at the biases we have and to open our eyes to the gifts co-workers from each generation bring to the workplace.

Thank you for participating in our Hospital Week events.

Sincerely

Linda Kubiak
Manager, Educational Services
