Dear Mr. Bruno:

As District Director for the St. Louis District of the Equal Employment Opportunity Commission, I would like to express my appreciation for your participation in the recent EEOC Technical Assistance Program Seminar held in St. Louis on July 18 and 19, 2006.

Your willingness to participate was greatly appreciated and your presentation helped to make our program a great success. Your presentation engaged the audience and provided them with valuable information about the generational changes within the workforce today. Both you and your presentation were well received by the attendees as evidenced by the evaluations I have included with this letter.

Let me say thank you for taking the time to contribute to the success of the overall program. Your presentation was a very valuable addition to the program. Again, thank you for your contribution to the success of our seminar.

Sincerely,

  
James R. Neely, Jr.  
District Director
